## WHY REGISTER YOUR TROOP IN THE SPRING?

- Replace your legacy council flag. You will receive a new troop flag with Girls Scouts of Greater Atlanta imprinted.
- Looking toward the 100<sup>th</sup> Anniversary in 2012, GSUSA will issue a new logo in spring of 2010 to carry us forward into the 2<sup>nd</sup> century of Girl Scouting.
- Be the 1<sup>st</sup> troop in your Service Unit to have the new flag.
- By signing the troop up now, girls and parents can go ahead and **plan** for troop activities in the fall.
- **Troop proceeds** from the Girl Scout Cookie Program or troop treasury can be used to pay for girls' registration fees. You can carry on Juliette Gordon Low's idea of troops being self-sustaining and the parents will appreciate the good financial stewardship.

## 2010 Girl Incentive Program

Spring registration is an incentive based program that will reward girls that participate. All existing troops and individual members who plan to return to Girl Scouts for the 2010-2011 membership year are eligible to participate.

Each girl that participates in spring registration will receive a patch. *The patch is exclusive to girls participating in spring registration and will not be available for sale in the Girl Scout Badge & Sash store.*
